Technology	Digital on BoB	Digital on BoB & Physical	Physical Only
<p>All students are required to have an Apple device to assist with their learning. Students have the choice of either an iPad or MacBook. Most students will find the iPad suitable to complete their school work, however, some subjects that require more extensive report writing might be aided by the use of a MacBook.</p> <p><b>The recommended MacBook device is:</b>            Apple MacBook Air 13" M1 8-Core CPU, 7-Core GPU, 8GB memory, 256GB storage            or            Apple MacBook Air 13" Retina Dual Core, 256GB storage</p> <p><b>The recommended iPad is:</b>            Apple iPad 10.2" (8th Generation) Wi-Fi 32GB or 128GB (no sim card model)</p> <p>It is advised to keep the device in a drop-proof case and screen protector and to be sure that either your home contents insurance covers loss or damage of the device or consider purchasing AppleCare+ to cover accidental damage to the device.</p> <p>Court Grammar School has partnered with Winthrop Australia to offer the above device recommendations at a significant discount to our community over the retail pricing.  <a href="https://www.cgs.wa.edu.au/view/20181101150919">https://www.cgs.wa.edu.au/view/20181101150919</a></p>
