

Court Grammar School

INTEGRITY • HUMILITY • COMMUNITY

Dear Year 6 (2022) Parents and Caregivers,

BOOKLIST ITEMS FOR 2022

As you will be aware, we use a composite fee at Court Grammar School. In essence, this means that your fees are inclusive of *booklist*/stationery items as well as incursions and excursions throughout the year. As a School, we order all of our *booklist* items from the same supplier. This allows us to ensure that all students have the same resources and that these are all in place for the first day of term. It also reduces your stress of school supply shopping!

Please be mindful that an iPad is required for Year 6 students. This is not provided by the School.

However, there are a few very small items that cannot be sourced via our suppliers at competitive prices. These are items which can most likely be found on your weekly trip to the supermarket. These items are things we often call upon you to provide as the year progresses. We thought it would be more organised and appropriate to ask if you could perhaps provide these items on your child's first day of School in February. **For Year 6, these items are:**

- Court Grammar School sports bag (from Uniform Shop - for carnivals, excursions, swimming and AFL/W Academy);
- Food Science apron and hat (from Uniform Shop);
- Woodwork apron and safety goggles (widely available from Bunnings at competitive prices);
- Headphones for iPads (over the head, not ear bud style);
- Antibacterial Wipes;
- Hand Sanitiser.

Thank you in advance for your support in this matter. In trying to keep costs down, we feel it more prudent to source these items via yourselves rather than pay more from a larger supplier.

Kind regards,

Stuart Learmonth
Head of Primary
