FRIDAY 3 MAY

I hope you all enjoyed a wonderful Easter Holiday break!

EWA Interschool Equestrian

Over the holiday period nine of our students represented Court Grammar at the 2019 EWA Interschool Equestrian Championships. All of the girls (and their horses) performed well with numerous places in the top 5! While we await the overall school results, I congratulate all of the riders on their achievements.

Interim Reports & Parent/Teacher/Student Interviews

Interim reports are a great way for students, and parents, to track how they are going in the new year. It also gives students the opportunity to put in more effort to bump up their grades prior to the semester one exams and reports.

Secondary Athletics Carnival

At our Secondary assembly on Wednesday 1 May, we acknowledged those students who performed exceptionally well at our Secondary athletics carnival. You will be able to find all of the results, including those students who broke school records on page 3. Well done once again to Mr Bristow and the PE department for a wonderful event.

Uniform

In each child's organiser is a copy the Court Grammar Uniform Policy. There is no excuse or reason for any student to say they were unaware of the school's uniform expectations. It was disappointing to see that a number of our students, in spite of reminders, were still not in correct uniform at our assembly on Wednesday. I ask parents to familiarize themselves with our uniform requirements and support the school in ensuring that we always present appropriately. Our uniform shop is open regularly for your convenience.

Year 12 Ball

This Saturday our Year 12 students will enjoy their School Ball at the Hyatt, Perth. I look forward to sharing photos with you next week and relaying how much fun they had and which students (and teachers) took over the dance floor!

ACC Cricket Representative at WACA

Year 10 Court Grammar student Claus Lotter was selected to be part of the Associated and Catholic Colleges Representative XI cricket team who played against, and defeated, a Combined Government Schools Representative XI in March this year.

Claus was named as one of the best batters for the ACC team scoring 19 runs off 31 balls with four 4's!

This is a wonderful achievement by Claus, Congratulations.

ANZAC

Matson Van Lieshout and his Aunt were involved in a very special ANZAC Service at Optus Stadium. They were one of 51 Buglers who played at the Len Hall Tribute Game between the Fremantle Dockers and Western Bulldogs on Saturday 27 April 2019.

A very memorable experience for Matson, well done on being selected to be part of the event.

Fresh Look for Year 6!

Over the holiday period our two year 6 classrooms had a make over!

The kids love the new carpet with a big splash of orange!

RANGER VISIT FOR ELC

On Friday 3 May our Pre-Kindergarten to Year 1 student were treated to a visit by our local SJ Rangers Tom and Chris. Students learn about what our Rangers do in the community, what to do if you see an animal wandering on the street and how they identify lost animals using their microchip scanner. Although the information provided by Tom and Chris was second to none, it was the props they used which got the kids really excited!

THE LEFT HAND SIDE OF THE REPORT

BRAD KROKOSZ

HEAD OF SECONDARY

Tony Hawk, one of the most successful skateboarders in the world, in front of thousands of fans at the 1999 X-Games failed on his first 9 attempts at completing the 900, he stuck it on his 10th. One of the greatest novelists of all time Stephen King's first novel was rejected 30 times. One of the world's most successful people, Richard Branson struggles with dyslexia. Thomas Edison failed 1,000 times before creating the lightbulb.

Perseverance, persistence and effort are all qualities that employers are looking for and qualities that coaches are looking for. One of the key qualities of successful people is a term coined by Angela Duckworth called GRIT – Growth Mindset, Resilience, Initiative and Tenacity.

Success doesn't always come on your first attempt and this is what the Left Hand Side of the report is all about.

At our Mid-Year assembly and our Sir Charles Court Assembly we formally recognise those students who have achieved all A's on the Left Hand Side of the report through our Respect Awards, with the ultimate prize being the Principal's Award for anyone who manages to achieve all A's on the Left Hand Side of the report for their entire journey through the school.

I would like to acknowledge those who have achieved All A's on the Left Hand Side for the Interim Reports and we use this as encouragement for them, and others who were close, to pursue this goal for the Mid-year report.

CONGRATULATIONS TO:
