Dear Parents and Guardians

Re: Year 7 Camp to Canberra

Many of you have realized that we have been waiting for a Government mandate that interstate travel is to stop before we cancelled this trip. The reason being is that we then have the protection of our insurers to get our deposits back for our families as the cancellation is due to reasons beyond our control.

However, in these uncertain times some of you are asking me to make the call now. Hence, we have decided to cancel this trip for 2020 BUT give the students the same opportunity in Year 8, 2021.

The trip cost each participant \$1820 and if the deposits were not returned, we would lose \$140.

It is possible that we would get our \$50 airfare deposits rolled over to next year but have no confirmation of anything in the airline industry about what they will do for August bookings. The \$90 accommodation deposits are definitely not refundable.

Parents who wish the balance of funds returned are welcome to contact our Finance Office for this to occur. Some have asked if we can keep this towards the camp next year or towards 2020 fees and we are happy to do whatever you wish, just let us know. Thus your 3 choices are as follows:

1. the money refunded to you
2. we hold it for the same camp in 2021
3. it is put towards your fee account

Thank you for the fantastic support we have had from all of you in these difficult times and all I can do is continue to assure you we are doing the best we can with these gorgeous students (yes they are!)

We will stay in touch with further news

With every best wish
