FROM THE PRINCIPAL

Dear Parents and Caregivers

COVID Update Number 3/2022 – 7 February 2022

My apologies but as we hit the send button on my update Number 2, we received advice that the Premier has just issued new guidelines. This is a sign of the times we live in and yet we will continue to do the best we can.

Some clarifications

1. We **do not have a case** of Covid in the school so please do not be anxious about receiving two messages from me in one day.
2. There will be **NO primary parent teacher** meetings this week as parents can only pick up and drop off in outdoor locations
3. The **year 6 camp will not go** ahead next week
4. **Marron Cup has been postponed** until we have a clearer idea of a suitable time later in the year.
5. Quarantine is down to 7 days.

Once again best wishes and I will be in contact again with more information once I receive it

With warm regards

Patricia Rodrigues (Ms)
Principal
