FROM THE PRINCIPAL

Dear Parents and Caregivers

## COVID Update Number 6/2022 – 28 February 2022

I did not think I would be writing to you again today, but I am sure you have all heard the news that was announced by the premier this afternoon.

From Thursday 3<sup>rd</sup> March all students **Year 3 and above must wear masks** to school. Please ensure this happens as we will not be able to keep them here without their masks.

Bus drivers will insist on masks as well.

As our timetable never has more than 1hour 50 mins without a break this rule means it is unlikely these students will be deemed close contacts in the classroom with their masks on.

With warm regards

Patricia Rodrigues (Ms)  
Principal
